Application

The application fee must be submitted with the completed application for the certification process to begin.

Audit

The audit fee will be invoiced once the onsite audit has been completed and reviewed. This fee includes pre-audit review of documentation. Additional fees may be charged if corrective actions are required (see below).

Auditor Travel

The facility undergoing an audit is responsible for the travel expenses of the auditor. Costs will be kept as reasonable as possible. They will be invoiced along with the audit fee.

CARs

When a corrective action is required (CAR), an auditor may have to spend additional time interacting with the applicant. If so, an additional \$75 per hour will be charged. This fee is invoiced with the audit fee.

Annual Renewal

Each year after the initial audit, the facility will be charged an annual renewal fee for the review of its progress report for continuous improvement.

Prices are effective January 2012 and subject to change. Fees are non-refundable. Check, Visa, Master Card, American Express or wire transfer accepted.
