

ADDITIONAL BENEFITS FOR NEW YORK PRINTERS

New York printers certified by the **Sustainable Green Printing Partnership (SGP)** are eligible for **additional** business benefits. New York State Executive Order No. 4, Establishing a State Green Procurement and Agency Sustainability Program, directs state agencies, public authorities and public benefit corporations to green their procurements and to implement sustainability initiatives. SGP is specifically mentioned in Executive Order 4!

WHY THE SGP ADVANTAGE?

NY EO 4

NY State procurement specifications include:

- ✓ protection of health and environment
- ✓ avoidance of risks from toxics
- ✓ pollution reduction and prevention
- ✓ sustainable resource management and use
- ✓ sustainable manufacturing and production processes
- ✓ reduction of greenhouse gases
- ✓ waste reduction, recyclability and compostability
- ✓ legal and regulatory requirements

SGP

certifies sustainable business practices of all types of printers. Its multi-faceted accreditation program was created by the printing industry for the printing industry and encompasses all elements of sustainable business practices. SGP facilities meet New York's requirements and have:

- ✓ reduce operational costs
- ✓ a valid means to leverage their sustainability efforts.

SGP is recognized by New York's Interagency Committee as an Approved Specification

Get a competitive edge! Become a sustainability leader!
