

PRINTING FOR A CLEAN FUTURE!
Wisconsin's Printing Industry's
Solar Group Rebate Program

GO SOLAR AND SAVE MONEY!

Vector Tradition / stock.adobe.com

The Wisconsin Printing Industry Charter and Arch Electric have partnered to provide Wisconsin-based printers the opportunity to join the solar movement and save you money!

This program is only available printing operations with NAICS codes starting with 262, 323, or 5111.

Through this program, going solar is even more affordable and economical. A rebate is provided to participants based on the total kilowatts (kW) of solar contracted to be installed through December 31, 2021.
