

SGP Multi Location Rates

Significant discount for a multilocation certification as each location may not have a full Audit. This requires similarity of process at each location and subject to approval.

Any locations that do not have an Audit must pass a more simplified Desk Top Audit (DTA).

Each location gets a license for the SGP Impact Tracker

Different locations are subject to Audits upon renewal of certification.

Number of Locations	Application Fee (per location)	Discount (per location)	Number of Audits	Audit Fee* (per location)	Number of DTAs (those not having Enhanced Audit)	DTA Fee (per location)	Discount (per location)	Annual Fee** (per location)	Discount (per location)
1-2	\$800	\$0	1-2	\$1,500	0	\$1,000	\$0	\$800	\$0
