

## SGP RESOURCE PARTNER APPLICATION

SGP Resource Partners are non-profits, NGO's or educational institutions engaged in promoting, teaching or research in the areas of graphic arts and/or sustainability. SGP Resource Partners are subject matter experts that assure our entire community is empowered with on-target and current thinking to advance sustainability in the printing industry supply chain.

SGP works with its Resource Partners to promote sustainable printing and certification. This may include, but is not limited to referrals, educational events, and appropriate marketing outlets. SGP Resource Partners are encouraged to use the SGP Resource Partner logo where appropriate and in conformance with the logo use guidelines.
